## Message from the Headteacher

We wish you all a lovely holiday. Please look out for an email from Mrs Pearson during the school holidays.

## Tapestry

**TAPESTRY**  
ONLINE LEARNING  
JOURNAL

Reception parents can now download their child's Learning Journal from Tapestry. There are full instructions here on the link on how to do it.

[How Relatives Can Download Journals And Media - Tapestry tutorials - Early Years Foundation Stage Forum \(eyfs.info\)](https://www.eyfs.info)

### Moldgreen Community Primary School

Year 3	8.45 am	3.00pm	Main Playground
Year 4	8.50 am	3.05pm	Main Playground
Year 5	8.50 am	3.05pm	Main Playground
Year 6	8.50 am	3.05pm	Main Playground

#### School Day timings

The Governors have agreed a change the timings of the day. We now have 45 minutes for lunch so we are able to end the day slightly earlier.

**Parents please note that siblings will no longer be collected.**

Timings allow for parents to move between playgrounds.

If you have a pram or mobility issue, please go to the front of school and the older sibling can meet you there. We just ask that parents speak to the teachers to make them aware.

## Mental Health Update

A little reminder that workshops on mental health and well-being are still available, delivered by the staff from Northorpe Hall. Please see sessions and dates for August below.

**Upcoming sessions for parents and children are below, these must be booked 7 days in advance.**

**Transitioning to High School/Middle School (Ages 10 and 11 must be accompanied by a parent/carer)**

Monday 9th August 5:30pm - Packhorse Centre, Huddersfield

Monday 16th August 5:30pm - Video Workshop - Zoom

**Managing Worry (aged 8-11 must be accompanied by a parent/carer)**

Monday 23rd August 5:30pm - Video Workshop - Zoom

**Low Mood (aged 11+)**

Monday 6th September 5:30pm - Video Workshop Zoom

Please click on the link for more information and to book.

## COVID-19: Recognising others choices

Over the last 18 months, there have been a lot of changes in our everyday lives. Throughout the COVID Pandemic, people's views, beliefs and thoughts have been challenged. With lockdown restrictions now lifted, some of us are keen to return to the gym, dining out or socialising more, whilst some of us will still prefer to stay home. Try and accept that other people will have different opinions and everyone will have different comfort levels as to what they regard as safe in the current situation. Do what you feel comfortable with. It may be helpful to set healthy boundaries of what you're happy with and feel safe doing. Discuss concerns with others, so that considerations can be made where possible, when organising something. Don't let other people's opinions stop you from doing what makes you feel comfortable. You may not always agree with others opinions, but try not to get worked up about what other people are doing. Focus on you and what you're doing. Enjoy a happy and safe summer.

Discover Huddersfield offer a range of guided walks throughout the year. Enjoy some wonderful sights whilst learning about Huddersfield's heritage. As well as being informative, these walks can be fun for all the family to join in with and a great way to stay active. There are 17 walking routes that can be downloaded, for you to enjoy in your own time. Alternatively, take a virtual tour on the website. More information and a timetable can be found at [Walks - Discover Huddersfield](#)

## School Meals

From September the price of a school meal will increase to £2.35 per day. Universal FSM entitlement ends at the end of year 2. If you think you may be eligible for Free meals please apply [www.kirklees.gov.uk/school meals](http://www.kirklees.gov.uk/school%20meals) or call 01484 221000 and ask for free school meals.
