### Welcome Back

It has been a pleasure to welcome our pupils and families back to school, after the summer holidays. We have returned to some normality in classrooms but we are still maintaining regular hygiene routines and minimising contact between year groups, inside the building. Please note, we are keeping windows open, to maximise ventilation so please ensure your child is appropriately dressed.

The children have settled well back into routines. It was fabulous to see all the children take part in a key stage assembly and their exemplary behaviour was noted. On Thursday we had a fire drill, to show the children how and where they exit the building. Even our youngest pupils managed the evacuation without fuss or tears. The school was emptied in under three minutes which is incredible for the first attempt, this year.

We are really looking forward to an excellent year and if you have any queries, there is always a senior leader on the gates to ask. Please talk to us if you have any questions.

### Macmillan

On Friday 24th September we will hold a cake and bun sale in the playground, raising money for Macmillan Cancer. Many of our families have been supported by this charity and we would like to raise some money. If you are able to donate any baking, please drop it off at the main reception on the Thursday or Friday morning (23rd or 24th).

The sale will take place in the afternoon in the main playground. Children can bring some money, to buy a cake or bun then any remaining cakes will be sold to parents.

### PE Dates

Children are now getting changed for PE in school and will no longer need to come to school in their PE kit.

The service will be followed by a light lunch to which all members of the community are invited. The service will begin at 11.00am. Once again, everyone is welcome - another great chance together.

## Holmfirth Arts Festival

**We are delighted to announce Holmfirth Arts Festival, a live fun-filled festival, taking place over the weekend of 17-19 September, 2021**

There are plenty of family friendly performances - including a flying astronaut whizzing through the streets of Holmfirth (yes really), outdoor theatre from Circo Rum Baba and their huge whale, aerial acrobats, indoor theatre, music, comedy and even a street parade you can get involved with on Sunday afternoon from 2pm.

All of the street performances during the daytime in the centre of Holmfirth are Pay What You Decide donations. The indoor programme is ticketed with special discounts for families.

We are funded by the Arts Council England to bring high quality arts and culture for all ages, which undoubtedly offers a boost for mental health, physical and social wellbeing.

All performances at Holmfirth Arts Festival - indoor and out - are planned to be covid aware.
