

Young Voices

On Monday 15th January 2018, 11 children and 3 adults went to the FlyDSA Arena in Sheffield to sing with the Young Voices, a choir of 5,268 children from schools all around Yorkshire and Derbyshire. It took us an hour to get there and back again. We left school after lunch and didn't get back to Moldgreen until 10pm! For the evening concert, the Arena was full with the Young Voices, the band, the guest artists and the audience. Our three favourite songs were Africa, Extraordinary and Castle on the Hill. When the song Africa came on, we did the Mexican Wave. Everyone went crazy when the special guests came on! The lights were spectacular and colourful. One of the special guests, Alfie, was only fifteen. He was brilliant at playing the guitar and singing. He involved us in one of his songs. There were also some fantastic dancers and we danced with them too. Their dancing was amazing and we want them to teach us more moves! Their best dance was the Star Wars dance. We all had a great time!
