Puppet on a string

*I wonder if one day that, you'll say that, you care,
If you say you love me madly, I'll gladly, be there,
Like a puppet on a string.*

Love is just like a merry-go-round with all the fun of a fair.
One day I'm feeling down on the ground then I'm up in the air.
Are you leading me on? Tomorrow will you be gone?

*I wonder if one day that, you'll say that, you care,
If you say you love me madly, I'll gladly, be there,
Like a puppet on a string.*

I may win on the roundabout, then I lose on the swings.
In or out, there is never a doubt just who's pulling the strings.
I'm all tied up in you, but where's it leading me to?

*I wonder if one day that, you'll say that, you care,
If you say you love me madly, I'll gladly, be there,
Like a puppet on a string.*

Like a puppet on a..... string!

Love Shine a Light - Katrina and the Waves

Love shine a light in ev'ry corner of my heart,
Let the love light carry, let the love light carry.
Light up the magic in ev'ry little part,
Let our love shine a light in ev'ry corner of our hearts.

Love shine a light in every corner of my dreams,
Let the love light carry, let the love light carry.
Like the mighty river flowing from a stream
Let our love shine a light in ev'ry corner of my dreams.

*And we're all gonna shine a light together.
All shine a light to light the way.
Brothers and sisters in every little part,
Let our love shine a light in ev'ry corner of our hearts.*

Love shine a light in ev'ry corner of the world,
Let the love light carry, let the love light carry.
Light up the magic for ev'ry boy and girl,
Let our love shine a light in every corner of the world

*And we're all gonna shine a light together.
All shine a light to light the way.
Brothers and sisters in every little part,
Let our love shine a light in ev'ry corner of our hearts.*

*And we're all gonna shine a light together.
All shine a light to light the way.
Brothers and sisters in every little part,
Let our love shine a light in ev'ry corner of our hearts.*

(Slower) Shine a light in ev'ry corner of our hearts.

Looking High, High, High

I once had a love, and oh I loved her very dearly,
She told me she loved me so, I thought she spoke sincerely
But one day, away, I found that she had flown
So off to find that love of mine I set alone.

Looking high, high, high, looking low, low, low.
Wondering: "Why, why, why did she go, go, go?"
For if I, I, I don't find my love, I know
I shall die, die, die 'cos I love her so.

I journeyed across the sea, I sought her with devotion.
Though, where she could really be I'd not the slightest notion.
But so bright the light of love within me shone.
I knew full well, what e'er befell I must go on

Looking high, high, high, looking low, low, low.
Wondering: "Why, why, why did she go, go, go?"
For if I, I, I don't find my love, I know
I shall die, die, die 'cos I love her so.

To east over desert sands, to west where grass is greener.
I asked in a dozen lands, but none had ever seen her.
It was clear, I fear my quest was all in vain.
So I departed, sad at heart for home again.

Looking high, high, high, looking low, low, low.
Wondering: "Why, why, why did she go, go, go?"
For if I, I, I don't find my love, I know
I shall die, die, die 'cos I love her so.

But when I arrived back home all tanned by wind and weather,
You sure could have knocked me down with the proverbial feather.
She stood there, so fair and sweetly she confessed
That she'd been wrong, and all along she'd loved me best.

I looked high, high, high, I looked low, low, low.
Wondering: "Why, why, why did she go, go, go?"
Now that I, I, I have found my love, I know
'Till I die, die, die I will love her so.

Jack in the Box

Stop - don't say you'll put me down. Love - don't go away.
Drop my feet back on the ground. Open your arms, let me stay.

Hold me like you know you should. Don't leave me on the shelf.
Like a doll you throw away. So sad and lonely all by myself.

*I'm just your Jack-in-the-Box you know whenever love knocks
I'm gonna bounce up and down on my spring.
A toy you start when it stops, I'm just your Jack-in-the-Box,
Because for your love I'd do anything.*

Who just keeps my heart around? Loves to pull the strings?
You - and when it's upside down, look at the way that it swings.

I can't help the way I feel. It's you and no one else
Calls the tune, but all too soon I'm just a doll put back on the shelf.

*I'm just your Jack-in-the-Box you know whenever love knocks
I'm gonna bounce up and down on my spring.
A toy you start when it stops, I'm just your Jack-in-the-Box,
Because for your love I'd do anything.*

La la la la la la la...
La la la la la la la...
La la la la la la la la la...
La la la la la la la...
La la la la la la la...
La la la la la la la la la...

Hey, hear what I say. You'll find someday that I've walked away from you
So say I've got to stay. And from today it's love that's gonna break through.

*I'm just your Jack-in-the-Box you know whenever love knocks
I'm gonna bounce up and down on my spring.
A toy you start when it stops, I'm just your Jack-in-the-Box,
Because for your love I'd do anything.*

Hey, hey!

Congratulations

*Congratulations and celebrations
When I tell everyone that you're in love with me.
Congratulations and jublations
I want the world to know I'm happy as can be.*

Who could believe that I could be happy and contented?
I used to think that happiness hadn't been invented.
But that was in the bad old days before I met you.
When I let you walk into my heart.

*Congratulations and celebrations
When I tell everyone that you're in love with me.
Congratulations and jublations
I want the world to know I'm happy as can be.*

I was afraid that maybe you thought you were above me.
That I was only fooling myself to think you loved me.
But then tonight you said you couldn't live without me,
That round about me you wanted to stay.

*Congratulations and celebrations
When I tell everyone that you're in love with me.
Congratulations and jublations
I want the world to know I'm happy as can be.*

*Con-grat-u-lations and celebrations
When I tell everyone that you're in love with me.
Congratulations and jublations
I want the world to know I'm happy as can be.
I want the world to know I'm happy as can be!*

All Kinds of Everything

Snowdrops and daffodils, butterflies and bees.
Sailboats and fishermen, things of the sea.
Wishing-wells, wedding bells, early morning dew.
All kinds of everything remind me of you.

Seagulls and aeroplanes, things of the sky.
Winds that go howlin', breezes that sigh.
City sights, neon lights, grey skies or blue.
All kinds of everything remind me of you.

*Summertime, wintertime, spring and autumn too.
Monday, Tuesday, every day - I think of you.*

Dances, romances, things of the night.
Sunshine and holidays, postcards to write.
Budding trees, autumn leaves, a snowflake or two.
All kinds of everything remind me of you.

*Summertime, wintertime, spring and autumn too.
Seasons will never change the way that I love you.*

Dances, romances, things of the night.
Sunshine and holidays, postcards to write.
Budding trees, autumn leaves, a snowflake or two.
All kinds of everything remind me of you.

All kinds of everything remind me of you.

Only Teardrops

The sky is red tonight,
We're on the edge tonight.
No shooting star to guide us.
Eye for an eye, why tear each other apart?
Please tell me why, why do we make it so hard?
Look at us now, we only got ourselves to blame - it's such a shame.

*How many times can we win and lose?
How many times can we break the rules between us?
Only teardrops.
How many times do we have to fight?
How many times till we get it right between us?
Only teardrops.*

So come and face me now.
Here on the stage tonight.
Let's leave the past behind us
Eye for an eye, why tear each other apart?
Please tell me why, why do we make it so hard?
Look at us now, we only got ourselves to blame - it's such a shame.

*(Tell me) How many times can we win and lose?
How many times can we break the rules between us?
Only teardrops.
How many times do we have to fight?
How many times till we get it right between us?
Only teardrops.*

(Tell me now) What's gone between us has come between us.
Only teardrops.
(Tell me now) What's gone between us has come between us.

*How many times can we win and lose?
How many times can we break the rules between us?
Only teardrops.
How many times do we have to fight?
How many times till we get it right between us?
Only teardrops. Only teardrops. Only teardrops. Only teardrops.*

*How many times can we win and lose?
How many times can we break the rules between us?
Only teardrops.
How many times do we have to fight?
How many times till we get it right between us?
Only teardrops.*

Waterloo – ABBA

My, my, at Waterloo Napoleon did surrender.
Oh yeah, and I have met my destiny in quite a similar way.
The history book on the shelf is always repeating itself.

Waterloo - I was defeated, you won the war.
Waterloo - Promise to love you for ever more.
Waterloo - Couldn't escape if I wanted to.
Waterloo - Knowing my fate is to be with you.
Wa-wa-wa-wa-waterloo - Finally facing my Waterloo.

My, my, I tried to hold you back but you were stronger.
Oh yeah, and now it seems my only chance is giving up the fight.
And how could I ever refuse?
I feel like I win when I lose.

Waterloo - I was defeated, you won the war.
Waterloo - Promise to love you for ever more.
Waterloo - Couldn't escape if I wanted to.
Waterloo - Knowing my fate is to be with you.
Wa-wa-wa-wa-waterloo - Finally facing my Waterloo.

So how could I ever refuse?
I feel like I win when I lose.

Waterloo - I was defeated, you won the war.
Waterloo - Promise to love you for ever more.
Waterloo - Couldn't escape if I wanted to.
Waterloo - Knowing my fate is to be with you.
Wa-wa-wa-wa-waterloo - Finally facing my Waterloo.

Wa-wa-wa-wa-waterloo - Knowing my fate is to be with you.
Wa-wa-wa-wa-waterloo - Finally facing my Waterloo.

Making Your Mind Up

You gotta speed it up and then you gotta slow it down.
'Cos if you believe that a love can hit the top you gotta play around.
But soon you will find that there comes a time for making your mind up!

You gotta turn it on and then you gotta put it out.
You gotta be sure that it's something everybody's gonna talk about,
Before you decide that the time is right for making your mind up!

*Don't let your indecision take you from behind
Trust your inner vision, don't let others change your mind.*

And now you really gotta burn it up and make another fly by night.
Get a run for your money and take a chance
And it'll turn out right.
And when you can see how it's got to be: you're making your mind up!

And try to look as if you don't care less, but if you wanna see some more.
Bending the rules of the game will let you find the one you're looking for.
And then you can show that you think you know you're making your mind up!

*Don't let your indecision take you from behind
Trust your inner vision, don't let others change your mind.*

And now you really gotta speed it up and then you gotta slow it down.
'Cos if you believe that a love can hit the top you gotta play around.
But soon you will find that there comes a time for making your mind up!

And now you really gotta speed it up and then you gotta slow it down.
'Cos if you believe that a love can hit the top you gotta play around.
But soon you will find that there comes a time for making your mind up!

For making your mind up
For making your mind up
For making your mind up!

Euphoria

Why, why can't this moment last forever more?
Tonight, tonight eternity's an open door.
No, don't ever stop doing the things you do.
Don't go, in every breath I take I'm breathing you.

*Euphoria, forever, 'till the end of time.
From now on, only you and I.
We're going up, up, up, up, up, u-up.
Euphoria, an everlasting piece of art.
A beating love within my heart.
We're going up, up, up, up, up, u-up.*

We are here, we're all alone in our own universe.
We are free, where everything's allowed and love comes first.
Forever and ever together we sail into infinity.
We're higher and higher and higher, we're reaching for divinity.

*Oh, Euphoria, forever, 'till the end of time.
From now on, only you and I.
We're going up, up, up, up, up, u-up.
Euphoria, an everlasting piece of art.
A beating love within my heart.
We're going up, up, up, up, up, u-up.
Forever, we'll sail into infinity.
We're higher, we're reaching for divinity.*

*Euphoria.
Euphoria.
We're going up, up, up, up, up, u-up.
Euphoria, an everlasting piece of art.
A beating love within my heart.
We're going up, up, up, up, up, u-up.*

*Euphoria.
Euphoria.
We're going up, up, up, up, up, u-up.*
