

Eco-Schools Action Plan

Moldgreen Community Primary School

Date Action Plan was developed: Monday 1st February 2016

Action Plan developed by: Afeefa Ikram, Arthur Godward, Mabel Smith, Miss Lee, Mrs Smith, Mr Holmes, Mrs Thewlis, Maureen Thompson

Topic	Action	Target / Measure	Timescale / Deadline	Responsibility	Evaluation of action / Actual result achieved
General	Eco-monitors to be put in place to carry out a weekly check of classrooms. AI, AG and MS to develop a monitoring form.	Monitors put in place following application and interview process. Weekly checks taking place over lunchtimes.	By Easter 2016	AI, AG and MS. School Council can assist with application process.	
Waste	Set up a battery recycling point.	Recycling point set up in main entrance and regularly used. Parents to be informed.	By Easter 2016	Mr Holmes	
Energy	School-wide 'Switch Off' campaign put in place, including posters in classrooms to remind staff and pupils.	Regular monitoring should show that lights, whiteboards and computers are being switched off when not in use.	Posters could be in place by February half term 2016	AI, AG and MS, with assistance from Miss Lee	
Biodiversity	Clean up the pond for the frogs. Put a hedgehog home in the garden.	More wildlife to be spending time in the garden.	By Easter 2016	MS to check with her dad. Miss Lee/Mrs Thewlis to order if necessary. Gardening club.	
Transport	Walk to school campaign to encourage people not to use cars – Golden Boot award for classes.	Numbers of children walking to school to increase.	Start after February half term 2016	AI, AG, MS, Miss Lee	
Communication	Eco-Committee webpage to be set up to communicate ideas and actions with the community	Webpage in place and regularly updated.	ASAP with ongoing updates.	Mrs Smith to set up. Miss Lee to update.
