Christmas Performances

Please see the timetable below for the School Christmas Performances which are taking place next week.

Please note: **No tickets will be issued for the performances.** A class list will be printed and as each parent arrives in reception, the child's name will be highlighted. This is to ensure that only one parent per child attends the performance.

The adult that attends will need to wear a face covering and we ask that they have a negative lateral flow test before coming into school.

Reception Children

Reception have been very busy this week in group reading. The children have enjoyed reading so much they came to read with Mrs Pearson and Mrs Szewczyk in the headteachers office. We are so impressed with how they can recognise tricky words and sound out any words they do not know. What super readers we are!
