### Wise Owl Club

This week the children have made a sun catcher using paint and designed their own scratch art pictures. We have made rice krispies cakes which the teaching staff all enjoyed. We have played games, completed puzzles and played playground games. The children have had the opportunity to use imaginative play using Lego, Playmobil and playing together.

Miss Vass and Mrs Cashin are both pleased with how the club is growing and would like to thank the children for being on their best behavior and always being polite.

Remember if you are wanting to use the club, breakfast club runs from 7.45-8.55 and has the cost of £3.50. The children get to have cereal, bagels and fruit and a variety of juices and squash to drink. After school club runs from 3.05-5.30 and has a cost of £7. The children will have a snack and a drink. Places can be booked using school spider.

We look forward to seeing the children who regularly join us and hope to see some new faces in the upcoming weeks.

## School Spider

We will be moving on to School Spider for our communication with parents/carers from our current provider Group Call. Please see the attached leaflet on how to download the app to enable you to receive all the latest messages, emails, newsletters etc.

## Exciting News!

Pre-School and Nursery will be having a shelter built in their playground.

The works are scheduled to be carried out:

27/01/22	28/01/22
31/01/22	01/02/22

For safety reasons we ask that all Pre-school and Nursery children are dropped off and picked up from the school entrance where staff will be waiting to greet you. Please make use of the ramp pathway in front of the school to avoid congestion.

Should the scheduled dates change we will keep you updated.
