28th May 2020

Dear Parents and Carers,

We hope you are having a relaxing break over half term, after a challenging few weeks.

As you are aware, the school has been closed to most pupils since the end of March, with staff emailing online learning. It was our intention to stagger a phased return for some pupils in Nursery, Reception, Year 1 and Year 6 from 2nd June.

The school leaders have been working hard to write risk assessments, to allow for more pupils to attend school. There has been a lot of consultation between staff, parents, governors and the local authority.

On Friday a scientific report (Sage) was published and the findings were inconclusive. The scientific advisor urged caution when increasing the pupil numbers in school. As safety is paramount, a decision by the governing body was taken to delay the wider reopening of the school by two weeks. Hopefully by then we will have evidence to say it is much safer to allow more pupils to attend.

As a school, we will continue to provide places to key worker children next week from Tuesday and the following week, with other year groups starting on June 15th.

We are sorry to give you short notice on the changes to our plans but believe delaying the wider opening will make the environment safer for all.

More details about the wider return on the 15th June will be sent out next week.

Best wishes

Christine Hall

Chair of Governors

Helen Pearson
