## KS2 Social Media Assembly

It has come to our attention that some children in KS2 are using a variety of social media platforms and there are often inappropriate postings on those groups of foul language, sexualised language, inappropriate materials and conversations. After discussing the issues with KS2, it has become apparent that there are several groups set up where this is happening. Mrs Pearson and Mr Millington had a talk with all the children in KS2 to discuss the appropriateness of the chats, and how these chats could upset or offend other members of the group. We have also contacted some parents individually. We are asking you to please help us by policing what your child is doing on social media and check their phones to ensure that what is being posted is appropriate. Please let us know if you feel there has been anything that is inappropriate, and we can help to keep all our children safe and ensure that the group stays as a social chat that everyone can enjoy.

## Musica Kirklees Application Form

# Early Years and Year 1 work on NSPCC Pantosaurus

Children in Early Years and KS1 have been doing some work on Pantosaurus about how to keep safe.

What are the PANTS rules?

## Privates are private

Your underwear covers up your private parts and no one should ask to see or touch them. Sometimes a doctor, nurse or family members might have to. But they should always explain why, and ask you if it's OK first.

## Always remember your body belongs to you

Your body belongs to you. No one should ever make you do things that make you feel embarrassed or uncomfortable. If someone asks to see or tries to touch you underneath your underwear say 'NO' - and tell someone you trust and like to speak to.

## No means no

No means no and you always have the right to say 'no' - even to a family member or someone you love. You're in control of your body and the most important thing is how YOU feel. If you want to say 'No', it's your choice.

## Talk about secrets that upset you

There are good and bad secrets. Good secrets can be things like surprise parties or presents for other people. Bad secrets make you feel sad, worried or frightened. You should tell an adult you trust about a bad secret straight away.

## Speak up, someone can help

Talk about stuff that makes you worried or upset. If you ever feel sad, anxious or frightened you should talk to an adult you trust. This doesn't have to be a family member. It can also be a teacher or a friend's parent - or even Childline.

## **Support from the NSPCC Helpline**

If you're worried about a child, we're here to provide support and advice to help you. Whatever your concern, you can call the NSPCC Helpline on **0808 800 5000** Monday to Friday 8am - 10pm or 9am - 6pm at the weekends, or email us at any time at [help@nspcc.org.uk](mailto:help@nspcc.org.uk).

## When's the right time to talk PANTS?

- bathtime, applying cream or when getting your child dressed
- car journeys
- going swimming and saying that what's covered by swimwear is private
- during a TV show that features a sensitive storyline
- singing along to our PANTS song with Pantosaurus
- reading our new PANTS storybook together

## Anti-Littering Poster Campaign

Councillor Mussarrat Khan asked our school to create some anti-littering posters to be displayed on Huddersfield Broad Canal where there have been persistent incidents of fly tipping and littering. She wrote to us to thank the children for their posters. Next time you go for a walk you might see yours!

I am so grateful for your help in keeping our area clean and safe. Thank you so much for designing the fantastic anti-littering posters. I shall proudly display these on the path on Red Doles Road that leads to the Canal. This is a great space to visit with family and there is lots of wildlife to enjoy - like Ducks, Geese and even fish in the Canal. Your posters will remind people to take their rubbish home and not just throw it on the ground where it may cause harm to the animals and make the place look messy and dirty. If you get a chance, please do visit the Canal and enjoy a lovely walk with an adult. You will love it! Thank you to the fantastic Teachers and staff at Moldgreen Community Primary School. I am so lucky to have a great School and such caring children in my area.

## Easter Fair Total Raised

As you will know, before Easter we hosted our Easter Fair. We would like to thank everybody who helped to make the day a huge success. A lot of fun was had by everyone (and a lot of penalties scored past Andy Booth!) and we were able to raise over £600 for Save the Children- Ukraine fund which is a fantastic achievement that we are all very proud of!

Save the Children.

## Star of the Week

Each Friday a child in every class will be named the Star of the Week. The child with the most team points in each class will receive the award. The team points are awarded for a variety of reasons. These could be for positive behaviour, progress in their work and good manners.
