### Red, White and Blue Day

On Thursday 26th May, to celebrate the jubilee pupils will be able to come to school wearing red, white and blue. Please support the celebrations as it will be a memory that the children remember.

## Year 3 Cave Paintings

Year 3 have been learning all about the Stone Age in their Wider Curriculum lessons. This week, they learnt that Neanderthals used natural materials to make their tools and paints to create their cave paintings. They went into the school garden and collected sticks, grass, roots, stones and leaves to paint with and then had a go at creating their pieces of art in groups. They had lots of fun and got very messy!

## Wise Owl Club

The children in Wise Owl afterschool club have been busy making a spectacular football stadium out of Lego. The children worked hard together to create this model which took them three days to build.

## Celebrating at Moldgreen

To commemorate the Queen's Platinum Jubilee the pupils will learn about the different decades, from the start of the Queen's reign in 1952. Each year group will take a decade to learn about and then we will hold a school assembly to look at the timeline from 1952 to 2022. The following decades will be researched by the following classes. Any parental contribution with knowledge of music, significant events, clothing, cars or technology would be welcomed.
