

# YEAR TWO

Our vision is to prepare children at Moldgreen Community Primary School to be useful, respectful citizens who play a positive role in their communities. At Moldgreen, we encourage care and respect for all through providing a happy, safe and inclusive environment where children love learning and thrive.

We want to prepare children to be useful, respectful citizens so they can play a positive role in their communities. At Moldgreen we encourage care and respect for other people, their faiths and their traditions. We help develop lively, enquiring minds to make decisions which affect their future and to understand other people's points of view.
