

Moldgreen Magic

Spring Term, Week 4

Week Ending 29th January 2021

Important Notice

Please note we are now open on Friday 12th February for children of key workers and vulnerable children. We will then close for half term from Monday 15th February to Friday 19th February. We will then re-open on Monday 22nd February for the children of key workers and vulnerable children **ONLY**.

Safety of Moldgreen Primary School Children

When dropping children off at school by car can you please not park on pavements or where it may make children and families route to school dangerous. Our main priority is the safety and wellbeing of all our school community. Thank you.

Staying Safe and keeping our Community Safe - message from Mrs Pearson

I am writing to you, urging everyone to please stick to the law and not allow children to attend play dates or visit other houses. Our staff have been told about some children having sleep overs and gathering together, beyond their bubbles.

I have personally been affected by Covid 19, with family members been in Intensive Care and understand the pressures on our NHS. Many of our parents are frontline workers and are working around the clock to save lives. Please keep within the law so we can get back to some normality.

Healthy Children and You 2021

Online Workshops for Children and Young People

Northorpe Hall
Child & Family Trust

Some of the topics to choose from are chill and chat, Young Peoples mental health, Positive emotional wellbeing, supporting sleep, and many more....

Please see the link below to the website.

<https://chewsnews.northorpehall.co.uk/workshops.php>

You can also access the work shops via our website, www.moldgreenprimary.co.uk, follow through to the Parents tab, Scroll down to Useful websites, Select learning courses, Click on the link.

Mental Health Week

Next week is the start of Children's Mental health Week. We will be covering this in the children's learning but do look out for useful weblinks and resources on our Twitter feed.

Get children active and join in

Kirklees Active Leisure (KAL) have launched a new section of their online streaming service specifically for home workouts for children. Schools and families can take part in these classes live at 9am on Tuesday, Thursday, and Saturday, or later that day by accessing the On Demand section of YourKAL.

The KAL app is **free** to download from your app store, and all content is **free** to use.

This is a link to a you tube video showing you how to download the app and how to use it.
